TEXT-BOOKS

Approved or Recommended
for use in

Elementary and Secondary
Schools

for the school year

1957—58

Issued by Authority of
THE MINISTER OF EDUCATION

This circular contains the list of books approved for use in the school year 1957-58. In Schedules A and B the books listed are approved for permissive use in Grades 1 to 10 of the several types of schools. These schedules contain the lists of text-books referred to in sections 36 and 38 of Part 4 of the Regulations, General Legislative Grants, (0. Reg. 2/56), as amended, which read:

36. The board of a public or separate school shall be paid a grant equal to the amount expended in the preceding year for text-books approved under clause zf of subsection 1 of section 12 of the Act, not exceeding an amount computed by multiplying \$3 by the average daily attendance in Kindergarten to grade 10, both inclusive, during the preceding year.

38. The board of a high, continuation or vocational school shall be paid a grant equal to the amount expended in the preceding year for text-books approved under clause zf of subsection 1 of section 12 of the Act, not exceeding an amount computed by multiplying \$3 by the average daily attendance of pupils in grades IX and X during the preceding year, but excluding from the computation those pupils attending from other high- or continuation-school districts.

Schedule C contains the lists of books approved or recommended for use in Grades 11 and 12, and these books are not to be included in claims for reimbursement grants.

Books selected from the approved lists, which are purchased by a Board and included in claims for repayment grants, remain the property of the Board. Where these books are loaned to the pupils every effort should be made to recover them at the end of the school year, so that they may be used again. In all cases the schools should see that proper care is taken of the books, keeping in mind that they belong to the Board and are intended to be used for more than one school year.

The lists of texts approved for permissive use will be enlarged from time to time as suitable books appear. Wherever possible books of Canadian origin and manufacture will be chosen for these lists. Local Coordinating Committees are again invited to submit, through the office of the Superintendent of Curriculum, Department of Education, suggestions for books to appear on supplementary lists later in the year. If a Coordinating Committee desires to use a text-book which does not appear on the approved list, application may be made to the Minister to have it considered for approved listing.

TEXT-BOOKS

SCHEDULE A

Books Approved for Permissive Use

Pupils will not be required to buy these books. School Boards will be required to provide readers and other text-books selected from these approved lists in numbers sufficient for the use of the pupils. Boards should make their selections after consultation with teachers, principals and inspectors concerned. In 1957 Boards will be reimbursed for amounts expended in 1956 for text-books listed in this Schedule A, permissive use of which has been approved, up to a maximum of \$3.00 per pupil of average daily attendance in 1956 in Grades 1-8. In 1958 Boards will be reimbursed for amounts expended in 1957 for text-books listed in Schedule A up to a maximum of \$3.00 per pupil in average daily attendance in 1957 in Grades 1-8.
